Re: H.S.T. Audit

Fairtax Consultants (Canada) Corp. Recently completed an audit of the City of Bathurst's Harmonized Sales Tax remittances. The audit proved to be very beneficial to the City of Bathurst and was performed in an efficient manner. The staff working on the file was professional and courteous.

I would not hesitate to recommend Fairtax Consultants (Canada) Corp. to perform an audit of commodity taxes for other organizations.

Sincerely,

***CITY OF BATHURST***

City Manager/Treasurer
