RE: FAIRTAX RECOVERY CONSULTANTS

Mueller Flow Control contracted with Fairtax in 1997 to recover B.C. Provincial Tax paid in excess of legal requirements. The Government rejected the claim and Fairtax took a proactive position through the court system. After a lengthy time (7 years) and no cost to Mueller Flow, Fairtax was successful and we eventually obtained a recovery.

We feel Fairtax went the 'extra mile' for their customer to obtain a ruling with no additional costs to us. We therefore endorse Fairtax as a very reputable tax recovery firm.

Yours truly,
Mueller Flow Control
