Fairtax completed a tax review for the Ontario Crafts Council for the years 2004-2007. Overall, we were impressed by their knowledge and accuracy. We were not only satisfied by their findings, but also their professionalism and promptness.

As we are a registered charity, Fairtax's assistance in obtaining a fast tax recovery was extremely valuable for the success of our operations. We would not hesitate to contract Fairtax for future claims.

Yours truly,

Emma Quin
